

# Press Release

From: Harry Haruyama

FOR IMMEDIATE RELEASE

May 2, 2008

## **NISSIN WHEELCHAIRS USA & COLOURS 'N MOTION, INC.**

MAY 2, 2008: Nissin Wheelchairs USA, Torrance, CA; (Takahiro Haruyama, President and CEO) and Colours 'N Motion Inc., Corona, CA (John Box, President) reached an agreement to form a new organization to provide customers the best mobility products in the market. To begin this project, Nissin Medical Industries Co., Ltd., a Japanese company and parent company of Nissin USA has purchased 100% share of Colours 'N Motion Inc. as of March 18, 2008.

Nissin Medical Industries Co., Ltd. has been the largest manufacturer of wheelchairs for over 40 years. Nissin products are manufactured with only the highest quality materials and cutting edge technology. . Nissin USA has made it possible to offer these high quality products to the U.S. market.

Colours 'N Motion is a well established premier brand in the U.S. market and with the introduction of Nissin's technology, the

brand will continue to grow and offer premier quality products. Nissin Wheelchairs will continue to be available and the business will be run under the umbrella of Colours 'N Motion and operate out of the Colours 'N Motion office at 860 Parkridge Ave., Corona, CA 92879. Takahiro (Harry) Haruyama will serve as CEO and John Box will continue on in his position as President.
